

WestWorld Events Traffic Impact Calendar

Events at WestWorld often impact traffic in the area bounded by WestWorld to the south, Loop 101 to the west, Bell Road to the north and 98th Street to the east. Major events have a greater traffic impact to a wider area south to Raintree and east to McDowell Mountain Ranch. The City of Scottsdale has created this calendar and traffic impact forecast to help businesses in the area be aware of and prepare for upcoming event traffic impacts.

Due to CDC and AZDHC Covid19 guidance and compliance, public attendance at events has been reduced and in some cases event organizers have decided to not admit public at all, limiting attendance to event participants only. In March, the only events that will have general public attendance will be Sun Country/Parada (equestrian events) and the Barrett-Jackson Auction. There will be event related traffic all month as events are set up and taken down.
